4. What type of outcomes can you personally see as an effect of the event?

- *More awareness*
- *Important to raise women's sports*
- *"Finelly has someone started to work with all the challenges of beeing an athlete woman in a male dominate world.*
- *That it is better to build knowledge and bridgeses of understanding than not talk about it at all."*
- *Increases gender equality in sports, points out areas that need to come to the surface, be discussed and made visible*
- *Getting new perspectives after discussing the topics during the workshops.*
- *More aware of the topics in my everyday life.*
- *Raise awareness of the problem and that it needs to be talked about more.*
- *Nice to meet people from other sports and contexts.*
- *Inspiration and a broader network for continuing the work of Gender Equality with all kind of associations not only in sports.*
- *New ways to invite people to discuss about important topics during the championship events. Good idea to mix event people, student and speakers.*
- *More awareness that me as a female has the possibility to keep on playing sports for a long time, working together with coaches and the federation it's possible to work, be a parent and play sports all combined even though it may be hard from time to time.*
- *Awareness raising*
- *my english got a lot better*
- *that we can learn about both how we act and how we can handle for example violence*
- *New perspectives on the subject in general, i.e. women in sport. That it is more than just the physiology that we need to think about. For example, things like maternity leave etc. and how we can better help those who both want to have a family and continue their career in sports.*
- *Knowledge*

● No	5	17%
● Other	1	3%

6. Anything else you'd like to share with us?

- *Interesting in many different ways, especially Martina because she was talking about a subject that we lack information about. Oscar's talk was also very interesting but about that subject we do know more about.*
- *Well done to all of you!*
- *Direction-indicators for the future*
- *Your enthusiasm is fantastic!*
- *I love that you work with all ages to spread awareness on very important subjects that we may not learn about in school or likewise!*
- *not really*
- *Thank you very much for hosting such an amazing event. This has been inspirational to continue with such in the future.*
- *Jag tror det hade varit fördelaktigt att haft föreläsningarna på arenan i samband med någon match för att locka fler personer. Det hade även kunnat vara lite tydligare vart eventet skulle hållas. Slutligen tror jag att det är viktigt att försöka få med en bredare målgrupp, dvs den manliga delen av befolkningen.*
- *Good idea - go on*
